

the wine

The Book says “the apple tempted eve”,
our book says, “it must have been the grape”.
frivolous, intense, sexy, dirty, crisp, full-bodied, light-bodied,
fruity, earthy, cherry, blackberry, grapefruit, apple, dry, oaky.
those are just a few descriptors used for the juice.

from wines that pair naturally with our food,
to the wines that steal the show...

from around the world and our own backyard...

food and wine pairing

contrasts are a beautiful thing,
i.e. complex with simple, spicy with sweet, salty with fruity.

but sometimes similar comparisons are the way to go,
i.e. tangy with tangy, earthy with earthy, sweet with sweeter.

have fun with this, as rules are meant to be...

corkage policies

no corkage on the first 750ml bottle—if we don’t carry that
special wine, bring it in.

cheers!

malbec

argentina's signature grape is also grown in just about every other corner of the wine world. it generally finds itself a player in a bordeaux blend, rather than the main attraction...malbecs tend to be medium- to full-bodied affairs with dark, plummy fruit and great structure.

sound familiar? the left bank wines are dominated by cabernet sauvignon
and offer a touch more power and robust qualities. while on the right bank,
we tend to find softer more approachable merlot-based blends.
